– With Techooze Solutions

Our Core Services

- 01 Website Design
- 02 Website Development
- 03 SEO Services
- 04 Social Media Optimization
- 05 Google Ads

Website Design Services

HTML & Static Designs

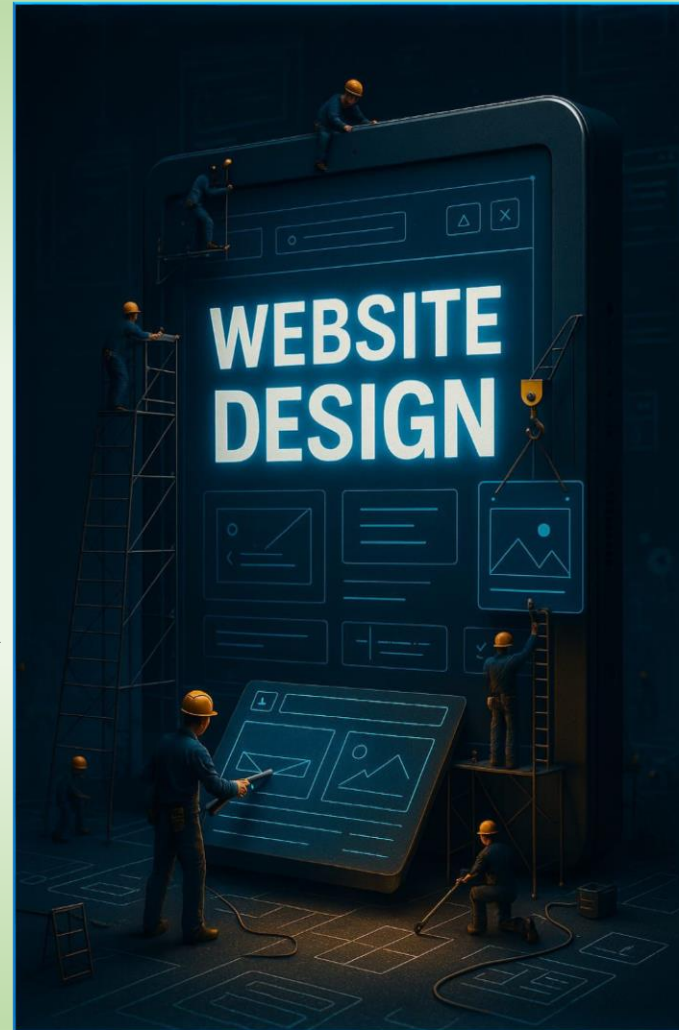

We create fast, secure, and lightweight HTML websites tailored to your needs, ideal for showcasing information with clean, modern aesthetics.

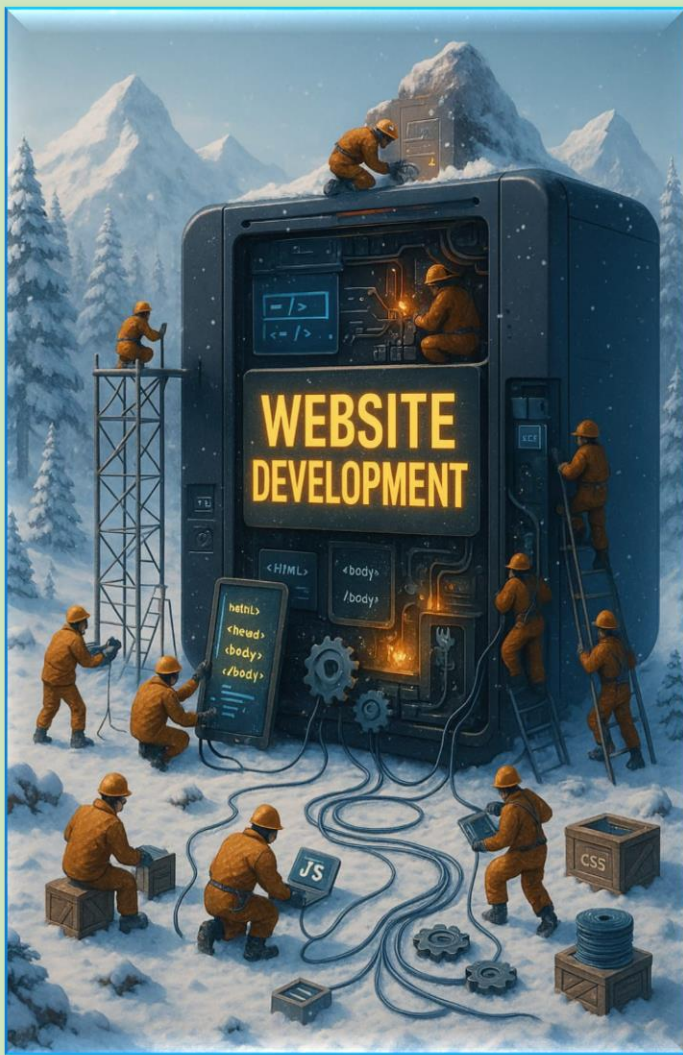

Landing & SEO-Friendly Pages

Our landing pages are conversion-focused and optimized for search engines, ensuring you get visibility and engagement.

Web Page Designing

Custom-designed pages that align with your brand and enhance user experience across all devices.

Website Development Services

Custom & PHP Development

We build robust, scalable websites using PHP and custom coding to match specific client needs, enhancing performance and security.

E-commerce & Multi-vendor Portals

Our e-commerce solutions support both single and multi-vendor models, with features like inventory, payment, and user management.

Admin Panels & CMS

We develop intuitive admin dashboards and CMS tools that simplify content management and offer full control over website operations.

Search Engine Optimization (SEO)

On-Page & Off-Page SEO

We optimize both the structure and content of your site and build authoritative backlinks to improve organic rankings.

Local & Technical SEO

From Google Business setup to improving page speed and crawlability, we help your site meet SEO best practices.

Sustainable Growth

Our SEO strategies are data-driven, ensuring consistent visibility and traffic growth in the long term.

Social Media Optimization (SMO)

Strategy & Scheduling

We craft social strategies and schedule posts for optimal reach, ensuring consistency and alignment with your brand voice.

Content & Engagement

High-quality visuals and interactive content foster engagement and community building on platforms like Facebook, Instagram, YouTube and LinkedIn.

Paid Advertising

Targeted social ads increase visibility, traffic, and leads through data-backed budgeting and performance tracking.

Google Ads Campaigns

Pay-Per-Click (PPC)

Run result-oriented PPC ads that appear on top of search results and drive high-quality traffic to your website.

Conversion-Focused Campaigns

Using A/B testing, keyword targeting, and CRO techniques, we optimize every campaign for maximum ROI.

Certified Expertise

Our team is Google Ads certified and experienced in running scalable, cost-effective ad campaigns across industries.

Why Choose Techooze ?

Proven Results

With 2,000+ completed projects and 5,000+ active clients, our track record speaks for itself.

Award-winning services, 90% success rate, and a team of passionate experts make us your ideal digital partner.
